

VISWABHARATHI MEDICAL COLLEGE & GENERAL HOSPITAL

R. T. NAGAR, NEAR PENCHIKALAPADU, KURNOOL-518 463.(A.P.)

Date: **04/05/2019**

“WORLD HEALTH DAY REPORT-2019”

Every year **WORLD HEALTH DAY** will be observed on **07th April**. This year theme was “**Universal Health coverage-Everyone, Everywhere**”. On this occasion Department of Community Medicine, Viswabharathi Medical College under the aegis of Indian Association of Preventive & Social Medicine (IAPSM) conducted a quiz programme & under the aegis of Indian Public Health Association (IPHA) conducted poster competition.

As a part of the quiz elimination round was held on 02nd April with four sets of 30 questions, 20 from last five years World Health Day Themes & 10 questions from the syllabus of Community Medicine. Total 18 students participated in the elimination round, forming 6 teams, each team with 3 members.

Marks scored by all the 3 members of a team were added & finally 4 teams were selected from 6 teams based on order of total scores. Final quiz was conducted on 08th April.

The quiz programme had 5 rounds.

- 1st round - Just a minute round.
- 2nd round – MCQ round
- 3rd round – Hint round
- 4th round – Visual round
- 5th round – Rapid fire

The teams which scored maximum marks were awarded 1st & 2nd prizes.

The students who got 1st & 2nd prizes were awarded with the “**MERIT & ACHIEVEMENT CERTIFICATES**”. The students who participated in Final quiz round were awarded with the “**MERIT CERTIFICATES**”. The students who participated in the elimination round but not selected final quiz round were awarded with the “**PARTICIPATION CERTIFICATES**”.

Poster competition was also conducted on the occasion of **WORLD HEALTH DAY** which were prepared on the basis of this year's theme “**Universal Health coverage-Everyone, Everywhere**”. Poster presentation was appreciated by the Principal & Faculty from other departments also.

DEPARTMENT OF COMMUNITY MEDICINE

AWARENESS PROGRAMME ON LEPROSY DAY 2019

DATE: 11.02.2019

January 30th is remembered as “National Leprosy Day” and “World Leprosy Day” in memory of Mahatma Gandhiji’s Death Anniversary This date was chosen by French humanitarian Raoul Follereau as a tribute to the life of the Mahatma Gandhi who had compassion for people afflicted with leprosy.. To create awareness about the Leprosy among the people Department of Community Medicine conducted an awareness programme from January 30th 2019 to February 14th 2019.

A Roleplay was performed by IV Semester Students of Viswabharathi Medical College at Manideep School in Weaker Section Colony, Urban Health Training centre. In this roleplay students explained the relation between Gandhiji and Leprosy and expressed about the stigma among the public about leprosy disease and what situations they are facing in the Society by their performance and by using charts.

This Roleplay was highly appreciated by the Teachers and Students of the School.
