**Subject: Renewal of Undergraduate Seats (MBBS) of  
Viswabharathi Medical College, Kurnool, Andhra Pradesh for the  
year AY- 2025-26 - regarding.**

Sir/Madam,

I am directed to refer to the Public Notice issued by UGMEB vide dated 01.11.2024 uploaded on the NMC website on 06.11.2024, directing all medical colleges with valid Letters of Permission (LoP) to upload the details/data of their respective institutions on the NMC portal for the annual declaration, as required under the NMC Act, 2019 and various regulations issued by NMC from time to time, for the grant of renewal of MBBS seats for the academic year 2025-26.

2. Based on the details furnished by your college, the experts assessed the submissions, and accordingly, a Notice dated 12.05.2025 was issued highlighting the following deficiencies observed during the assessment:

- i. Fifteen (15) out of Twenty (20) departments are deficient in faculty/Resident/tutor as per AEBAS record data.
- ii. 4 out of 20 less in faculty by 50% criteria.
- iii. Typographical error in OPD attendance to be verified i.e. 5899 in one month while it was more than 50000 in all the other months (MBBS overall).
- iv. Cytopathology is less than 1% of OPD (4067 instead of 4960).
- v. Clinical pathology is less than 15% of OPD (only 6245 samples).
- vi. Financial proof not attached in declaration form. Example Dr. KP Aslesh, Dr. Rajeswari V, Dr. Venu Gopal Reddy.

3. Subsequently, the compliance report submitted by your Institution was also evaluated by the Assessors; however, amongst

other deficiencies, following key deficiencies were again highlighted w.r.t. your College/Institution:

- i. Fifteen (15) out of Twenty (20) departments are still deficient in faculty/ Resident/tutor as per AEBAS record data.
- ii. Cytopathology is still less than 1% of OPD as the documentary proof is missing.
- iii. Salary certificate has been enclosed as financial proof but authentic proof is Form 16 and ITR, so the reply is not satisfactory.

Further, it has been observed that during the renewal process for the previous year AY 2024-25, penalty was imposed and conditional renewal was granted in view of the substantive nature of deficiencies in your College.

4. The Competent Authority has reviewed the Annual Declaration Report (ADR) submitted by your college/institution and also the deficiencies pointed out by the experts. The compliance report submitted by the college has not been found to be convincing and satisfactory.

5. However, UGMEB has taken a lenient view and **decided to grant conditional renewal of 250 UG (MBBS) seats** for the academic year 2025-26, **subject to rectification of deficiencies with in four months from the issuance of this letter.**

6. A further review will be conducted after four months, and if the deficiencies are found to persist at that time, stringent action will be initiated as mandated under Chapter III, Clause 8 of the Maintenance of Standards of Medical Education Regulations (MSMER), 2023, and any other applicable rules or regulations.

7. If the College/Institution is not satisfied and aggrieved with the decision of the Board, you may prefer an appeal before the Commission under Section 9, Chapter IV of the Maintenance of Standards of Medical Education Regulations, 2023, (MSMER, 2023) within Sixty (60) days of the issue of this letter.

8. This issue with the approval of the Competent Authority.

Yours faithfully,
